DEMENTIA SUPPORT GROUP

Thursday Night

Room F130

You may enter at Deer Run Road. If you enter at the traffic light, you will need to drive to the southwest side of the campus.

Park on the southwest side of the campus, as the front entrance of the Faith Building will be closed.

Once parked, enter the building under the exterior stairwell, as one of these doors will be unlocked.

Once you enter the building, go straight down the hallway, turn left, and room F130 will be immediately on your left.

If for some reason you cannot find the room or are locked out of the building, call our campus security at (239) 940-0880.
