Global Impact Celebration 2026

# Make Disciples

Everyone can be hands-on when living missionally in the light of the Great Commission (Matthew 28:19-20). We invite our church family to participate in the opportunities to be part of sharing the Gospel to every nation.

As Christ followers we are to live missionally in our neighborhood, workplace, and to the nations.

We do this by showing and sharing the Gospel wherever we are while working and relating to others. Whatever our preference in sharing the Gospel, the ground beneath our

feet is our mission field. Ask God to open your eyes for ways that you can truly love and share with the people that He has called you to reach.

Read Colossians 4:2-6. Pray and consider the “open doors” that are around you to share the good news of Jesus Christ. Be ready to grow in your readiness to share Christ. Together let us obey the Great Commission (Matt. 28:19). Every year, our Global Missions Offering includes giving to over 40 missions locally and globally. These funds go to our missions partners, and to The Southern Baptist Lottie Moon Offering and Annie Armstrong Offering.

Additionally, our annual Change The World offering is a special collection used primarily to help fund special mission projects. These have included projects like food relief and water filters to third-world countries, medical equipment to local businesses, and sending Bibles to mission partner churches around the world.

Being a part of these special opportunities to contribute financially provides a way to respond directly to missionary needs in lasting, meaningful ways while sharing the hope of the Gospel of Jesus Christ.

# 2026 GIC Missionaries Prayer Guide

Join us in prayer as we intercede for these missionaries by lifting up their personal needs and undergirding the work of the Gospel. Thank you for taking the time on a consistent basis to pray for our missionaries.

# It's Decision Time

You are invited to become more deeply involved in Living Missionally at McGregor and to pray about how God would use you in 2026 in the work He has already begun around the world.

There are three essential components to participate in global missions at McGregor today:

## 1. GIVE

This year, McGregor is continuing the Global Missions Offering, allowing your family to give generously beyond your regular offering towards the missionaries McGregor supports. The 2026 Global Missions Offering is a covenant between you and the Lord to support McGregor's Acts 1:8 Strategy.

## 2. GO

Be a part of a short-term mission trip. MBC has teams departing throughout the year to destinations around the globe. Learn more about these missions projects by stopping at the McGregor Missions Trip table anytime this weekend or contact the mission's office at (239) 790-0309.

## 3. PRAY

As followers of Jesus, we are all part of the task to fulfill the Great Commission. Paul writes, "All of you together are Christ's body, and each of you is part of it." (1 Corinthians 12:27) Jesus has commissioned us to be His heart, His hands, and His voice. Through prayer, McGregor has helped the cause of Christ all around the world for many years, yet billions remain lost, and time is running out for them. Let's pray more intentionally and give more sacrificially than ever before. Our church must take direct responsibility for helping reach the unengaged, unreached people groups that are challenging to get to. Since most unreached people groups likely are represented in the world's urban centers, we have unique challenges and opportunities to reach the world in the days ahead. What can you do, individually? Start by praying for the unreached peoples of the world; next, commit to praying for our mission trips, and finally, consistently lift up our missionary and ministry partners.

## CULTIVATING COMPASSION

Consider those around us locally that are in desperate need of hearing the Gospel of Jesus. This Gospel is going out to every nation, and you have the opportunity to participate in praying, giving, and going on a mission trip this year.

In 2026, McGregor members will have numerous opportunities to carry God's light and love all around the world. Last year, we continued our journey as a church family to fulfill the Great Commission. This year, we will extend that journey with a wide range of mission trips. As you read this brochure, read it prayerfully, considering ways YOU can serve the Lord through missions.

God has called for His laborers  
to go into the fields.
