**“Here I AM! Send Me.”**  
**(Isaiah 6:1-8, pew Bible page 571)**

A Strategic Moment...

- I. His Perceptions Changed. (vv. 1-4, 6-7)
  - A. What did he see? The glory of God
  - B. What did he hear? The holiness of God
  - C. What did he feel? The power of God
  - D. What did he smell? The presence of God
  - E. What did he taste? The grace of God

## II. His Pride Collapsed. (v. 5)

A. A clear vision of the Lord

B. A clear understanding of himself

As Moses at the Burning Bush, or Job when he at last beheld the Lord, or Saul on the road to Damascus...seeing the Lord and seeing himself (things that were true all along) brought a clear call to mission.

## III. His Purpose Emerged. (v. 8)

- **Whom shall He send?**

A. People who have not said a pre-emptive “no”

B. People who have not decided to be silent

C. People who are willing to be moved
